We deliver solutions that empower people to reach their full potential, pursue their goals and feel connected to their community.

OUR VISION

Thriving communities for all people.

OUR PURPOSE

To enable more people to live in quality homes in thriving and inclusive communities.

WHO WE ARE

Evolve Housing is an award-winning, Tier-1 nationally registered community housing provider (CHP). We are recognised as one of the most innovative, high performing CHPs in Australia. We are also a registered not-for-profit, with Deductible Gift Recipient and Public Benevolent Institution status.

We are based in New South Wales, with offices in Parramatta and Penrith.

What we do

- Safe and secure housing for people experiencing homelessness or those on lower incomes experiencing housing stress,
- Support services, programs, financial grants and activities that empower individuals, build their capabilities, and provide pathways to greater independence, and
- Quality, accessible, affordable housing developments that build strong, integrated and sustainable communities.

We provide subsidised housing to people living on very low to moderate incomes who are unable to afford appropriate housing in the private market.

We engage in partnerships with government, developers and investors to create new social and affordable housing stock to help meet a growing demand. Our properties cater to a diverse range of needs, household sizes and incomes so we can offer a variety of options to our residents.

We help people to reach their potential by providing support services and programs. These include education and training programs that empower residents to participate in their communities, pursue their career goals and participate in the workforce.

We also offer tailored support plans to improve physical and personal wellbeing. Our regular social activities bring people together, which helps residents to feel welcome and part of a local community.

We are committed to working with our key stakeholders and partners to reduce homelessness and housing stress.

2.3 Your responsibilities

Living in any home requires you to act responsibly. Some of your responsibilities are described in this handbook and included in detail in your Accommodation Agreement.

In summary, your responsibilities are to:

- · Pay all rent and any other charges on time and as agreed
- · Keep your property in good order and look after it

- · Report any faults:
 - maintenance, electrical, leaks

- · Provide the correct amount of notice if you decide to end your tenacy
- Leave the property in a similar condition to when you moved in, except for everyday wear and tear.

2.4 Our commitment to you

Our commitment to you is further described in this handbook and detailed in your Accommodation Agreement.

In summary, we agree to:

- · Always treat you with courtesy and respect

- · Work with the appointed service provider that supports your best interests and reflects your goals and preferences.

2.5 Rental Bonds

Any Rental Bond will be listed in your Accommodation Agreement if you live in an SDA Enrolled Dwelling.

A bond is a deposit paid to us by you. We send it to Fair Trading via their website.

At the end of the Accommodation Agreement, we may use the bond for tenancy-related charges.

2.6 Rent

Rent for SDA residents is set as required by the NDIS guidelines and recorded in your Accommodation Agreement.

Rent is charged at 25% of the Disability Support Pension (DSP), plus the full Commonwealth Rent Assistance (CRA) entitlement.

Your rent will be listed on your Accommodation Agreement.

2.6.1 Commonwealth Rent Assistance (CRA)

If you get a Centrelink Benefit such as the DSP, you can receive CRA. We will determine the amount of CRA you are entitled to during reviews of your rental subsidy. You need to claim your CRA entitlement from Centrelink, as we will charge you rent based on 100% of your CRA.

2.6.2 How to pay your rent

From the start date of your lease, you will pay two weeks' rent either weekly or fortnightly, as agreed with your Evolve Housing Manager so that your rent is always two weeks in advance.

There are two ways you can choose to pay your rent:

Method	Details
Centrepay	Centrepay is a voluntary and easy payment option available to Centrelink customers. You can use Centrepay to make regular deductions from your Centrelink payments. Go to www.humanservices. gov.au/Centrepay for more information and to set up your Centrepay deductions.
Bank account	You can set up a direct debit from your bank account.
	Please talk to your Evolve Housing Manager if you would like to set up this form of payment.

Falling behind in your rent (rent arrears) or other payments (non-rent arrears) can put you at risk of losing your tenancy. It is essential to pay your rent on time and not fall behind.

Make sure you let us know if you are falling behind. We will work with you to organise a payment, a repayment plan, or refer you to financial counselling.

2.7 Taking leave

If you plan to be away from your home for more than six (6) weeks, you need to inform your Evolve Housing Manager. Please provide us with an emergency contact to get in touch with in case of an emergency whilst you are away.

Evolve Housing will approve an absence from the property for up to three (3) consecutive months if we are satisfied that your absence does not exceed twelve (12) months in a five (5) year period, and:

- Payment of your tenancy charges, such as rent and fees, have been arranged
- The property is securely locked and will be adequately cared for.

2.8 Ending your tenancy

Your tenancy can be ended by you or Evolve Housing. All termination notices must comply with the Accommodation Agreement. Ensure you know your rights and responsibilities when ending a tenancy.

To ensure the security of your tenure, we will only end your tenancy in situations where you have breached the conditions of your Accommodation Agreement. Our team will give you enough time to find somewhere else to live and move your belongings.

Should you wish to end the tenancy, you must give us 90 days' notice in writing. If you cannot meet this deadline due to exceptional circumstances, you will need to contact us to negotiate a shorter timeframe.

Once we receive your notice, we will contact you to discuss the requirements for vacating the property. We will also discuss with you any issues such as:

- · Outstanding payments
- · Disconnection of any services in your name
- · Any repairs, cleaning or rubbish removal that will need to be done
- Access to the premises/room for viewings by potential new residents
- Repayment of any rent in advance and bond (if you have paid a bond).

03

Your Home (SDA Enrolled Dwelling)

3.1 Looking after your home

You have a responsibility to look after your home.

This includes:

- · Keeping your home clean
- · Notifying Evolve Housing of any damage
- · Not causing any intentional damage
- Preventing damage through negligence
- · Preventing visitors from causing intentional damage
- · Keeping shared areas clean and free of obstruction, including:
 - Entrances
 - Halls and stairs
 - Lounge areas
 - Shared kitchens, bathrooms, yards and parking spaces
 - Paths and driveways.

Evolve Housing is responsible for:

- Providing the property to you in a clean state and a reasonable state of repair

- Repairing any issues promptly
- Taking your reasonable wear and tear into consideration

3.2 Rubbish

- Shared areas must be rubbish-free.
- Council bins
 - Please place household rubbish in the council bins
 - Place these bins outside on collection day
 - Return them when emptied
- · Large items
 - Can be removed by the council in an organised clean-up (if relevant)
 - A contractor may be supplied at your expense.

For enquiries about rubbish-disposal:

Contact	Evolve Housing
Phone	1800 693 865
Email	sda@evolvehousing.com.au

3.3 Pests

Undesired pests have a history of living, invading, causing damage, eating human foods, and acting as a means of spreading a disease or causing other harm to human habitation.

To keep your property as pest-free as possible, you can:

- · Wrap food and/or keep it in airtight containers
- · Clean all surfaces, benches and floors
- · Clean cupboards, shelving
- · Avoid leaving rubbish out
- · Wrap your rubbish and place it in bins
- · Avoid bringing in soft furnishings from the street.

3.4 Modifications to your SDA Enrolled Dwelling

Evolve Housing supports affordable modifications to help improve living standards for SDA residents. Modifications should be undertaken before entering your new home, but we recognise that this may not be possible. If you require modifications, you will need to obtain the approval of a health practitioner such as an Occupational Therapist.

For more information, contact your Evolve Housing Manager to discuss.

Contact	Evolve Housing
Phone	1800 693 865
Email	sda@evolvehousing.com.au

3.5 Security

Your security is important to us. We have installed some safety features in your home. Approval is required to change any of these features, including locks. Make sure that you take care when allowing visitors to enter your home.

You can do this by:

- · Asking who they are and where they are from
- · Seeking identification
- · Asking for a contact number to confirm the visitor's identification.

Before leaving your home, make sure that you always lock up the property.

3.6 Fire safety and smoke alarms

Always phone 000 and leave your home if there is a severe fire threat.

To make your home safer, you can take these important precautions:

- · Do not damage, remove or interfere with smoke alarms
- Report to Evolve Housing if any alarms are not working*
- · Do not leave pans unattended when cooking on the stove
- · Never put water on a fire that is caused by cooking oil
- · Do not put items too close to, or dry clothes on a heater
- · Turn off heaters at night before sleeping
- · Keep fire exits free of clutter
- · Know your emergency exit plan.

^{*} Evolve Housing will arrange for all smoke alarms to be checked as per requirements

3.7 Electrical safety

Remember the rules for using electricity correctly to be safe around your home.

Here are some basic precautions you can take to avoid dangerous shocks or fires:

- · Do not mix water and electricity
 - Do not use an electrical appliance near water
 - Keep liquids away from appliances, e.g. video game consoles, laptops, computers and televisions
- · Report all broken switches, plugs and light fittings to Evolve Housing
- · Never try to repair broken electrical cords, plugs or fittings yourself
- · Replace broken electrical cords, plugs or fittings
- · Clean the lint filter on your drier after each use
- · Switch off appliances when you are not using them
- · Do not overload outlets with too many plugs
- · To unplug an appliance,
 - Turn the power-point off
 - Hold the plug while removing
- · Put socket covers over outlets to keep children safe.

3.8 Water usage

Depending on your Accommodation Agreement, you may be held responsible for water use charges. As part of our sustainable practices, our appliances meet standards for water efficiency.

To avoid excess water use:

- · Turn off taps after use
- · Advise us of any leaks as soon as you notice them
- Do not interfere with the flow of showerheads or change them
- · Monitor the time you spend in the shower.

3.9 Keys

You are responsible for your keys. Do not attach your address to your house keys as this could give someone access if you lose them.

Contact Evolve Housing on 1800 693 865 if you lose your keys. We can help you to access the property or contact a locksmith. Please note this may be tenant charged.

For security purposes, if you lose or damage any security keys to garages, you will need to pay for a replacement.

3.10 Pets

Many of our properties do not allow pets. If you have an assistance dog, Evolve Housing will consider approval in line with the Equal Opportunity Act.

You will need to seek consent to keep a pet. Please note that we may refuse to give consent to your request when another resident living in your home:

- · Has not consented to the keeping of the pet at the property; and
- Has reasonable grounds for not consenting to keep the pet at the property; or concerns that the pet would create a health and safety hazard if it was to be kept at the property.

If your request to keep a pet at the property is approved, you are responsible for the following:

- The animal must be on a lead or adequately restrained while on common property
- · The animal must be regularly treated for fleas
- The animal must not cause any nuisance or interfere unreasonably with any person's use or enjoyment of the property
- · The animal is kept in good health and free from fleas and parasites
- Any animal waste must be disposed of to prevent noxious odours or to contaminate the environment
- Reasonable steps must be taken to minimise the transfer of airborne allergens from the animal, such as regular vacuuming and grooming.

If you fail to comply with the above, you may be asked to remove the animal from the property.

Any approval to keep a pet only applies to the animal in the application and does not allow for any additional replacement or substitute animals.

3.11 Access to your property

Evolve Housing will inspect your property as per Table 1 Right of Entry, at the end of your tenancy, if repairs or inspections are needed and if you request us to.

3.17 Internet and subscription TV

SDA Residents are liable for any additional costs relating to internet and subscription TV services, such as Foxtel, Netflix, Stan and Wi-Fi. If you wish to add additional services to the property that may require adjustments to your home, you must seek written approval.

These adjustments could include drilling, antennae installation or similar.

04

You as an SDA Resident — services and support

You should consider Evolve Housing to be your landlord. Our services relate directly to the physical property. We manage water, electricity and gas services, and ensure the building is in good repair.

Any other services related to support via your NDIS plan are the responsibility of a Supported Independent Living (SIL) Provider. You will need to arrange a Service Agreement with a SIL provider for all other services, such as daily personal activities.

You are free to choose your SIL provider. The provider you choose will not affect your tenancy. We will arrange an SDA and SIL Collaboration Agreement to ensure you have access to relevant support. This agreement will clearly define which organisation provides which support.

4.1 SDA Resident involvement

We encourage you to attend SDA Resident meetings and participate in your home community. This is a good way to stay informed about any issues, ensure harmony and minimise conflict within the community.

If you share with other residents, it is helpful to participate in decision making, planning and making suggestions for improvement. You can do this by participating in monthly resident meetings.

These meetings provide the opportunity to come together with other residents and neighbours to discuss matters of importance to you such as:

- Tenancy issues
- Repairs and maintenance issues
- Suggestions
- Feedback for Evolve Housing, including how we communicate with you and the policies that affect you.

4.2 How to be a good SDA Resident and neighbour

A good SDA Resident and neighbour respects the rights of others to live in peace, comfort and privacy, through:

- · Not playing loud music
- · Keeping noise levels down, especially at night
- · Not behaving in a manner that is a nuisance and annoying to others
- · Not behaving in an aggressive, bullying or violent manner
- Asking your visitors to be respectful of others and not be a nuisance or annoyance to the household or neighbours
- · Not leaving rubbish or other items in common areas
- · Allowing others their right to privacy and confidentiality
- · Listening to others' concerns and trying to resolve problems early
- Being happy and positive in your actions and discussions with others.

Let your Evolve Housing Manager know as soon as possible if you have any issues. We can offer support or strategies to help.

4.3 Violence, bullying and assault

Violence, assault, bullying and discrimination against any SDA Resident will not be tolerated and are grounds for terminating your tenancy.

Evolve Housing recognises your right to feel safe and to live in an environment where you are protected from assault, neglect, exploitation or any other form of abuse.

We will support any person who has witnessed or suspects abuse has occurred towards one of our SDA Residents to make a report and be confident of doing so without fear of retribution. Our reporting process includes any kind of abuse, including financial, emotional, social, psychological, sexual, physical abuse or neglect.

You can make a report to whomever you feel comfortable and safe with. This may include one of our employees, our CEO, a family member, your advocate or a trusted friend.

If you would like to speak with someone outside of Evolve Housing, you can contact the NDIS Quality and Safeguards Commission:

- Phone: 1800 035 544 (free call from landlines) or TTY 133 677
- National Relay Service and ask for 1800 035 544. Interpreters can be arranged.

You can also complete a NDIS Complaint Contact Form online on the NDIS Quality and Safeguards Commission website.

Evolve Housing acknowledges that prevention is the best protection from abuse and neglect. We recognise our duty of care to put in place prevention strategies that include appropriate protocols to identify potential risks. Our prevention strategies include only employing skilled staff who respect SDA Residents' rights and are aware of current legislation and policies regarding abuse and neglect.

Our staff can assist you, your family or your advocate to access our complaints process and raise any concerns regarding our service provision.

Where abuse, harm or neglect has occurred, Evolve Housing will respond quickly, considerately and effectively to protect you from further harm. We will give you access to any required counselling, medical and/or legal assistance.

4.4 Privacy

Evolve Housing complies with all relevant privacy legislation and has systems for the collection, use, disclosure, quality, security, accuracy and correction of personal information relating to you as our SDA Resident.

Your privacy and dignity will always be maintained. You will be asked to sign a Participant. 4.7 Appeals

You may appeal against any decision Evolve Housing makes.

It would be best if you lodged your appeal within three (3) months of making the decision. This appeal timeframe can be extended if there are particular circumstances.

You can appeal against decisions such as:

- · Not allowing you to keep a pet
- · Eligibility to transfer
- · Level of rent
- Permission to make modifications or alterations.

4.8 Critical incident

While we hope that a critical incident does not occur, in the event it does, we are prepared to support and assist you by following procedures that appropriately deal with a critical incident.

A critical incident is classified as an event (or alleged event) that occurs because of, or during, the delivery of services and has caused, or is likely to cause, a significant negative impact on your health, safety or wellbeing.

If an incident does occur, we will engage with the required authorities to support you during this time.

Critical incidents that relate to you may include, but are not necessarily limited to:

- An unexpected death, serious injury or alleged assault (including physical, sexual abuse, sexual assault or indecent assault) that occurs as a result or during the delivery of services
- Allegations of serious, unlawful or criminal activity or conduct involving an Evolve Housing employee, subcontractor or volunteer that has caused, or has the potential to cause, serious harm to you
- An incident where you assault or cause serious harm to others (including our employees, volunteers or contractors), as a result, or during the delivery, of services
- A severe fire, natural disaster, accident or another incident that will, or is likely to prevent, service provision, or that results in closure or significant damage to premises or property, or that poses a significant threat to your health and safety (see 4.9 Natural Disaster).

Evolve Housing has established procedures that identify, manage and resolve incidents. These include:

- Staff members will report all incidents to Governance and Legal (GAL) or the Program Manager — Programs and Partnerships (PMPP).
 Who they report it to depends on if it is a 'general incident' or 'reportable incident'.
- Completion of an incident report no matter the incident, that identifies and records an incident (whether it is a 'general incident' or a 'reportable incident').
- GAL is responsible for reporting incidents that are 'reportable incidents' to the NDIS Commissioner and other required agencies.
- Compliance with the NDIS (Incident Management and Reportable) Rules 2018.
- Supporting and assisting you if you are affected by the incident.
- Review of the incident by the General Manager of Resident Services, if you or others were affected.
- Working with you, your family and/or advocate to manage and resolve the incident.
- Reviewing the incident and making necessary amendments to systems and processes to reduce the risk of recurrence.

4.9 Natural disasters

Your emergency evacuation plan is recorded in your Accommodation Agreement.

If your property has been affected by a natural disaster, such as a flood, bushfire or storm, SDA Residents and Evolve Housing have certain rights and responsibilities:

- You can move out temporarily and return once repairs have been carried out. We will assist you to find or pay for your temporary accommodation.
- If the property is only partly uninhabitable, you can choose to stay
 in the property while repairs are being carried out. You should only
 consider doing this if the damage is minor and there is no ongoing
 safety risk.
- If the property is destroyed or becomes totally or partly uninhabitable, Evolve Housing and you can mutually agree to end the tenancy.
- If no mutual agreement is possible, you or Evolve Housing can give
 a written termination notice to end the tenancy. As the SDA Resident,
 you cannot be evicted without a Tribunal Order.

4.9.1 Repairs after natural disaster

Severe storm, fire or flood damage are considered urgent repairs and should be handled quickly. Refer to '3.13 Urgent repairs' in this handbook for more information. If the repairs are not urgent, you and Evolve Housing should agree to a repair timetable.

Evolve Housing is not obliged to compensate you for any damage to your furniture or personal belongings from a natural disaster.

4.9.2 Rent after natural disaster

If you move out temporarily or continue living in the partially damaged property, the rent should be waived or reduced. We will negotiate with you on rent, and any agreement in these situations should be put in writing.

4.10 Behaviours of concern

Behaviours of concern are taken into consideration when matching you to a suitable home. Appropriate measures may need to be taken to ensure the safety of all residents.

It is possible that some behaviours of concern may put your tenancy at risk because of the risk to you, other residents, staff or others who access the home. This can happen with any behaviour that causes harm to you or another person in the home.

It is important that you and everyone in the home feel safe. Evolve Housing will work with your Service Provider to ensure any residents, including you, are provided with the necessary support needed.

Strategies and measures are reviewed regularly to ensure they remain appropriate.
