

# Protect your storage cage

## Keep items stored in your storage cage safe and secure with these simple steps:

- **CONSIDER** the structure of the storage cage. Ensure it cannot be accessed, forced open or climbed into
- **LOCK** storage cage at all times with a high-quality lock
- **AVOID** storing expensive items in storage cage
- **CONCEAL** property so it is not easily identifiable. E.g. Cover with a tarp
- **ENSURE** carpark is secure
- **DON'T** prop doors open
- **ENSURE** doors lock and close securely
- **CHECK** the garage door is closed completely so potential offenders can't sneak in
- **DO NOT** allow any unauthorised entry to the building
- **INSTALL** CCTV which covers entrance and exit points
- **INSTALL** signage which states the area is under constant CCTV surveillance and that no valuables are stored in the storage cages
- **RECORD** serial numbers of items and photograph
- **INSTALL** good lighting
- **BE** a good neighbour - keep watch for any suspicious activity
- **REPORT** any suspicious activity and incidents to police
