New homes in Rosanna coming soon

Evolve Housing's expansion into Victoria continues with the delivery of 45 high quality social and affordable homes in Rosanna in Melbourne's northeastern suburbs.

The development supports our resident's wellbeing, offering easy access to transport, services and everyday amenities. With Rosanna Train Station and the village precinct only metres away, residents will have convenient access to cafés, shops, essential services, parks and quality schools.

This development is part of our ongoing commitment to delivering safe, secure and affordable housing. Rosanna was delivered through the Housing Australia Future Fund (HAFF) which will see Evolve Housing create more than 1,000 new social and affordable homes across NSW and Victoria.

Acknowledgment of Country:

Evolve Housing acknowledges the Traditional Custodians of the land where we deliver our housing services. We acknowledge and pay our respects to all Elders past, present and future. We welcome all First Nations Peoples to our services, as we walk together towards reconciliation.

Events highlights

At Evolve Housing, we love bringing renters and their families together through fun, inclusive community events. From celebrations to workshops, there's always something happening.

Renters Advisory Group (RAG) Chat

Our new Renters Advisory Group (RAG) held its first session for 2026, bringing together representatives from both Dunlop Ave and Sunshine North.

During the meeting, renters learned more about their role in the group, including how they can provide feedback and suggestions that help improve the services and support Evolve Housing. Our RAG will work on projects that are important to renters, and share ideas for programs, activities, and community events. They will also have the opportunity to hear from different Evolve Housing departments.

The RAG will meet monthly to continue these conversations and work alongside Evolve Housing employees. Thank you to our RAG for attending, your insights and lived experience are essential in helping shape more inclusive, responsive, and renter-focused communities.

Sunshine North drop-in session

Sunshine North renters gathered in the Sunshine Connections room for a casual Drop-In session with Evolve Housing employees. The session offered a friendly space to talk about home and community matters, ask questions, and share experiences.

Employees provided helpful information and clarified a few common concerns so renters could feel more informed. The session was a positive reminder of the value of staying connected and working together to support the Sunshine North community.

Maintenance requests

Renters are reminded that all maintenance issues must be reported by calling 1800 693 865. This ensures your request is logged correctly, responded to promptly, and directed to the right team.

We kindly ask renters to refrain from contacting Housing Managers for maintenance matters, as they are unable to lodge or track repair requests. Using the dedicated maintenance line helps streamline the process and ensures your issue is addressed as quickly and efficiently as possible.

Car park and storage space

All renters are reminded to use only their allocated car park space and designated storage area. This helps keep the community organised, safe, and fair for everyone.

At Sunshine North, the visitor parking spaces are strictly for visitors only. Renters without an allocated car space must not use visitor parking under any circumstances. This ensures visitors can access the spaces when needed and prevents congestion in shared areas.
